We are proudly headquartered where it all began in South Australia; now with over 20 offices and/or facilities across nine countries. We are backed by almost four decades of experience in supplying trusted Australian red meat products to the world.

### TFI OFFICE LOCATIONS

## RURAL PATHWAYS PROGRAM

TFI proudly support and encourage careers in Australian agriculture. Our Rural Pathways Program is targeted at **recent school leavers** who are seeking an entry level opportunity with a leading Australian agricultural company.

Over the **12-month paid program**, successful applicants will gain experience across both TFI Rural and Southern Cross Feedlot. Our objective is for all participants to finish the program well-equipped to continue a successful career in the agricultural industry. We achieve this through providing both internal and external training and support during the program.

**TFI Rural:** Represents our multi-site farm operation spread across southern Australia, producing lambs and cattle, also cultivating crops. Our farms cover an area in excess of 22,000 hectares.

**Southern Cross Feedlot:** Our industry leading and award-winning feedlot with a 27,000 standard cattle unit capacity is a key partner of the TFI Murray Bridge Processing Facility.
