MEET OUR JUDGES

Lars Sivesind (USA)

Lars Sivesind is a well-respected dairy cattle breeder, judge, and genetics specialist from Waukon, Iowa, USA. He was raised on his family's renowned Prairie Moon Guernsey dairy farm in northeast Iowa, where he developed a lifelong passion for dairy cattle. From a young age, he was actively involved in dairy judging and exhibiting cattle at county, state, and national levels.

Lars attended Iowa State University, graduating in 2016 with a degree in Dairy Science. Following university, he joined Select Sires Member Cooperative, one of North America's leading dairy genetics organizations, where he currently works as a District Sales Manager specializing in genetic improvement and mating programs for dairy producers.

Outside his professional role, Lars remains heavily involved in his family's Prairie Moon Guernseys herd. The operation is widely recognized within the Guernsey breed and has exhibited numerous All-American nominated cattle at major shows, including the World Dairy Expo.

As a judge, Lars has built a respected reputation throughout the United States. His judging experience includes numerous county and regional dairy shows, the Illinois State Fair Guernsey Show, and the Midwest Guernsey Show. He has also been selected as an Associate Judge for the All-American National Guernsey Show, one of North America's premier dairy cattle exhibitions.

Lars's judging philosophy is grounded in practical dairy functionality, longevity, and genetic progress. Through his work with dairy producers and elite registered cattle programs, he has developed extensive expertise in cattle conformation, breeding decisions, production traits, and modern dairy genetics.

He and his wife Melissa have two daughters, Clara and Andie, and reside in Waukon, Iowa, where they continue to be actively involved in the dairy industry and the Guernsey breed.

Craig Cochrane

I began judging dairy cattle at the age of 15 and was lucky enough to win the Australian National Dairy Cattle Judging Competition at just 16 years of age. I later returned to the national stage as Over Judge for the same competition in 2021 and 2022.

Since that time, I have judged extensively through major calf shows, youth competitions, parader competitions, country shows and Royal Shows, working across multiple dairy breeds. My judging appointments include shows such as Bega, Maffra, Nowra, Berry, Robertson, Taree, Singleton, Tamworth, Geelong, Shepparton, Brisbane, Sydney and Camden.

My brother Jared and I jointly own Parrabel Genetics, operating on 120 acres at Cambewarra on the South Coast of New South Wales. Together, we have achieved Broad Ribbon success with our cattle across Australia, North America and Europe.

This year we have exhibited Grand Champion Red & White, Reserve Champion Brown Swiss at International Dairy Week and Reserve Champion Jersey Cow at the Sydney Royal Easter Show with our respective partners.

We also co-host the annual Parrabel Rockstar Spectacular Sale with partner Rocky Allen, conducted each October in conjunction with the NSW State Holstein and Jersey Show.

I have recently been elected to the Holstein Australia Board and am actively involved in the organisation and administration of NSW State Show.

Patrick Buckley

Patrick and his partner April farm at The Oaks in NSW where they milk a mixed breed herd of Ayrshires, Jerseys, Holsteins and Brown Swiss under the Killarney Grove Genetics prefix.

Patrick has been judging for many years throughout Australia with highlights including judging the Jersey show at Brisbane Royal, the Great Southern and Great Northern Jersey On Farm Challenges, the South Australian Ayrshire On Farm Challenge, the Victorian Brown Swiss On Farm Challenge and the All Breeds Dairy Youth Show at the Sydney Royal Easter Show.

Patrick has also been a classifier with Jersey Australia for 15 years. Patrick and April have long enjoyed showing their cattle throughout the country, particularly at the Sydney Royal Easter Show and International Dairy Week.

More recently highlights have included the success of their home bred cow Sorella Gin and Tonic who was awarded Supreme Champion Dairy Cow in 2025 and received for the third time in a row, Champion Ayrshire cow at the 2026 Sydney Royal Easter Show.

Patrick is honored to be asked to officiate the 2026 Royal Adelaide Ayrshire Show and thanks the society for the invitation.

Simon Tognola

Simon was raised in Far North Queensland, Simon's passion for registered dairy cattle was sparked on his grandfather's Illawarra stud, where he spent his school holidays immersed in the industry. He further developed his skills through the National Centre for Dairy Education Australia youth programs and quickly became recognised for his ability in the show ring, clipping cows from a young age.

Simon has gained valuable international experience working with leading breeders in North America. A career highlight includes preparing Willowdell Astound Fancy 512, the first Jersey to be named Supreme Champion at International Dairy Week.

Today, Simon is based in Northern Victoria, where he operates under the Twin View prefix alongside his partner Hannah and their twin daughter Lainey and Ellie. Professionally, he works with ST Genetics, assisting dairy farmers to breed more profitable and functional cattle.

Simon is a member of the Australian Holstein and Jersey official judging panels and has officiated at major shows across Australia and New Zealand. More recently, he has judged at International Dairy Week and the Central Gippsland Jersey Fair, further cementing his reputation as a trusted and progressive judge. He has also officiated internationally at the New Zealand Dairy Event.

MAKE YOUR NEXT GENERATION **YOUR BEST GENERATION.**

Producers wanting to propel their genetics are using advanced reproductive technologies and IVF. No one has better, more consistent results than Boviteq.

WHAT OTHERS DON'T TELL YOU

- YOU CAN DO BETTER THAN 4-5 EMBRYOS/DONOR
- WHEN YOU DON'T STIMULATE DONORS, YOU DON'T GET THE SAME RESULTS
- FRESH AND FROZEN EMBRYOS CAN GIVE SIMILAR RESULTS
- YOU'RE ON YOUR OWN IDENTIFYING DONORS & RECIPIENTS
- YOUR YOUNGEST ANIMALS CAN BE YOUR MOST PRODUCTIVE DONORS
- THEY DON'T TREAT DONORS/SIRES INDIVIDUALLY
- YOU WON'T GET THE RESULT FEEDBACK YOU NEED

BOVITEQ® GIVES YOU

- The most embryos/donor
- Industry's highest frozen embryo conception rates
- Customized donor/sire solutions
- Experts give timely feedback that matters
- Our latest R&D to give you the best results
- The Semex Team helps you identify donors/recipients, simplifies genomics, and makes sure you raise the right heifers
