SAFETY PROCEDURES

The following procedures apply to woodchopping and woodchopping events held during the Royal Adelaide Show.

1. The Supervisor, Ring Judge and the Official Starter are collectively/individually the Safety Officers for all woodchopping events and the woodchopping ring. All people who enter the woodchopping ring must comply with any directions given by the Safety Officers.
2. Only the following people are permitted in the woodchopping ring: Competitors, Wedgers/Assistants (who must be at least 12 years of age), Officials and Staff of the woodchopping.
3. The clean up crew are required to wear all allocated safety equipment whilst undertaking their duties at woodchopping.
4. Competition axes and spares are to be, and remain sheathed until the whistle is blown to signify the start of the relevant event. Competition Axes and spares are to be pinned at all times.
5. A whistle will be blown approximately 30 seconds before the commencement of each event and all non-competitors must immediately leave the ring. A further "all clear" whistle or public announcement will indicate that the event has concluded.
6. No person shall enter the Safety Zone around the competition during the event without the permission of the Supervisor, Ring Judge or Official Starters. The Safety Zone is the area within the yellow lines but excludes competitor seating areas on the northern boundary of the woodchopping ring.
7. St John First Aid Officers will be present for the duration of all events. No competition will commence without St John personnel onsite.
 - If a medical incident arises the Safety Officers will ensure the immediate area is made safe for St John personnel to work in.
 - St John will, or may request the Safety Officers to, contact an ambulance to attend the Woodchopping Arena if required.
8. Hazards and incidents (including near misses) are to be promptly reported to the Safety Officers. The reporting of hazards and incidents need to follow the required RA&HS procedures.
